

Vice President, Midstream Energy Private Equity

Salient Partners, L.P. seeks outstanding candidates for the position of Vice President in its Houston, Texas private midstream energy infrastructure group. The Vice President will assist, support and advise senior management on private equity transactions, including deal sourcing, diligence, evaluation, and structuring as well as other key business initiatives. The Vice President should have direct relevant experience in the midstream energy sector and be comfortable modeling, planning, budgeting, forecasting and reporting.

EDUCATION/EXPERIENCE:

- To be considered, well-qualified candidates must hold a BSBA or related degree from an accredited college/university; MBA and/or CPA preferred. A minimum of seven years related investment banking, management consulting or private equity is required. A background which includes performing due diligence is essential in this role.
- The individual selected will be able to demonstrate superior verbal, written and presentation skills to learned audiences, with the ability to interact successfully with C-Suite executives. This position requires advanced skills in MS Office Suite, particularly Excel, Word and Power Point. Qualified candidates must also possess superior analytical and problem-solving abilities. High attention to detail is required, as is the ability to work independently in a fast-paced, dynamic environment.

ETHICS AND CORE VALUES:

- Must have the highest ethical standards and achieve a reputation within the Salient community and industry as a highly credible investment professional.
- Must have the ability to cultivate Salient's reputation as an ethical provider of investment products and services through accurate, high-quality data/reports.
- Conducts business and all interactions in concert with Salient core values.

TECHNICAL SKILLS:

- Requires advanced PC skills in MS Office Suite- Excel, Word, and Power Point; intermediate skills in MS Outlook.
- Must have strong technical and analytical skills with the ability to communicate complex investment information.
- Must have strong organizational skills and ability to meet tight deadlines.

TRAVEL:

- Position will require some travel.

Physical Demands:

The Vice President spends extensive amounts of time on the computer conducting analysis, modeling, planning, budgeting, forecasting and reporting.

Supervisor Responsibility:

None at this time

Primary Location:

Houston, TX

Schedule:

This is a full-time position. Days and hours of work are generally Monday through Friday, 8:00 a.m. to 5 p.m. Hours may vary during travel or when conducting business affairs.
