Salient MF Trust 2017 Capital Gain Distributions Paid

The Salient Funds identified in the table below paid short-term and long-term capital gain distributions on December 29, 2017.

During each calendar year, mutual funds realize gains and losses from selling securities in their portfolios. Tax laws require mutual funds to distribute the net gains from these sales to shareholders by year-end. When distributed, net short-term capital gains are generally taxable as ordinary income and are reported as ordinary dividends on Form 1099-DIV.

Capital Gain Distributions Paid on December 29, 2017:

Fund Name	Per Share Available Distribution		Percentage of NAV
