Salient Midstream & MLP Fund is a Delaware statutory trust registered as a non-diversified, closed-end management investment company under the Investment Company Act of 1940, as amended. The Fund's investment objective is to provide a high level of total return with an emphasis on making quarterly cash distributions to its common shareholders. The Fund seeks to achieve that objective by investing at least 80% of its total assets in securities of MLPs and midstream companies. There can be no assurance that the Fund will achieve its investment objective.

This press release contains "forward-looking statements" as defined under the U.S. federal securities laws. Generally, the words "believe," "expect," "intend," "estimate," "anticipate," "project," "will," and similar expressions identify forward-looking statements, which generally are not historical in nature. Forward-looking statements are subject to certain risks and uncertainties that could cause actual future results to differ significantly from the Fund's present expectations or projections indicated in any forward-looking statements. These risks include, but are not limited to, changes in economic and political conditions; regulatory and legal changes; leverage risk; valuation risk; interest rate risk; tax risk; the volume of sales and purchase of shares; the continuation of investment advisory, administration and other service arrangements; and other risks discussed in the Fund's filings with the Securities and Exchange Commission. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. The Fund undertakes no obligation to publicly update or revise any forward-looking statements made herein. There is no assurance that the Fund's investment objective will be attained.
